How to follow a forum on Twitter

E-Democracy.Org forums on Twitter

If you “Follow” an E-Democracy forum via Twitter, you will get status updates each time someone posts to your forum.

Status updates will include (see **A**):

- subject line of the topic
- a link to the topic

It is NOT possible to post messages to a forum via Twitter.

1 Log onto your own Twitter account

2 Go to <http://forums.e-democracy.org>, select the home page of the forum you want to follow, and click on the “Follow us on Twitter” button (see **B**).

3 Click on the “Follow” button in the upper right hand corner of the screen (see **C**).

4 Forum posts will appear in your Twitter newsfeed along with anyone else that you are following. Access your Twitter newsfeed at www.Twitter.com or via one of the many Twitter applications available for your desktop or mobile device.
