BeNeighbors.org is a new non-profit list of online places where neighbors meet across St. Paul and Minneapolis.

Some 10,000 area residents participate across the 30+ Neighbors Forums hosted by E-Democracy alone.

Discuss crime, find lost pets, share community announcements, connect with diverse neighbors and more for free. Visit the web link www.beneighbors.org today.

Want a new forum? Project host E-Democracy can help.
